Hoosier Energy to Offer OSHA 30 General Industry Safety Training, May 2021

For Immediate Release - Bloomington, Ind. (April 15, 2021) - Hoosier Energy will offer complimentary OSHA safety training to employees at each of its 18 member co-ops this May. Members of the public are also invited to participate but will be charged a fee for the training.

The OSHA 30-hour General Industry Outreach Training course is a comprehensive safety program designed for anyone involved in general industry. Although OSHA 30 safety training is geared towards foremen and job supervisors, anyone working in the Healthcare, Manufacturing, Warehouse, Distribution, and Retail industries may participate.

The four-day course covers a variety of topics including, *Introduction to OSHA, Managing Safety & Health, Fall Protection, Emergency Action Plans, Electrical Safety, Personal Protective Equipment, Hazardous Materials, Welding & Cutting, Fall Protection* and much more.

Hoosier Energy trainers are authorized to teach OSHA 30-Hour General Industry sessions. These trainers meet the requirements for participants to receive student course completion cards upon successful completion of the training session.

Anyone new to their labor force or with an interest in increasing their ability to be hired should strongly consider this training.

DATES / TIMES –
May 19 & 20, and 26 & 27, 2021, 8 a.m. to 5 p.m. each day

Participant RSVP must be received by May 7, 2021.

LOCATION –
Hoosier Energy Headquarters, Bloomington, IN
